CARE ABOUT RESTORING SMILES

Over the past couple years with the help of numerous businesses and individuals, we restored countless smiles.

We exist to share our dream of a brighter tomorrow through faith, hope and love

1 Cor. 13:13

"And now these three remain: faith, hope and love. But the greatest of these is love"

OUR CARs FAMILY

CARs Racin' For A Dream Inc is a 501c3 Non-Profit Charity that raises money all year through fundraisers and donations to help children and families that are facing serious to terminal illnesses.

Our board consists of all volunteers so we are happy to say that over 95% of our money raised last year was given to children in need.

The local business and community support has been overwhelming. But we know that we would not have the success we have had to bring these smiles to these children if it wasn't for caring people like yourself.

So thank you for taking the time to look over and consider our dream to help local children.
